“Helping a new manager succeed doesn’t benefit only that individual. Ensuring the new manager’s success is also crucially important to the success of the entire organization.”

~ Linda Hill, researcher and author of *Becoming the Boss*

## WHAT TO EXPECT:

Participants in New Leader Essentials will gain valuable and applicable skills, contributing to their successful transition to leading a team. Throughout the program, participants will experience live online workshops that are interactive, creating a safe space for asking questions and identifying ways to apply the concepts to work.
